THE NEW CAPITAL

The City Of Tomorrow

Egypt's New Administrative Capital is being built from scratch in the desert 45km east of Cairo. Covering 700 square kilometers in total, the city is intended to house 34 ministries of Egypt's legendarily sprawling government, and be a new business, finance and cultural hub, with residential districts accommodate 7 million people.

In January 2019, According to Egyptian primeminister Mostafa Madbouly, Egypt has launched the green river Construction project in the new administrative capital.

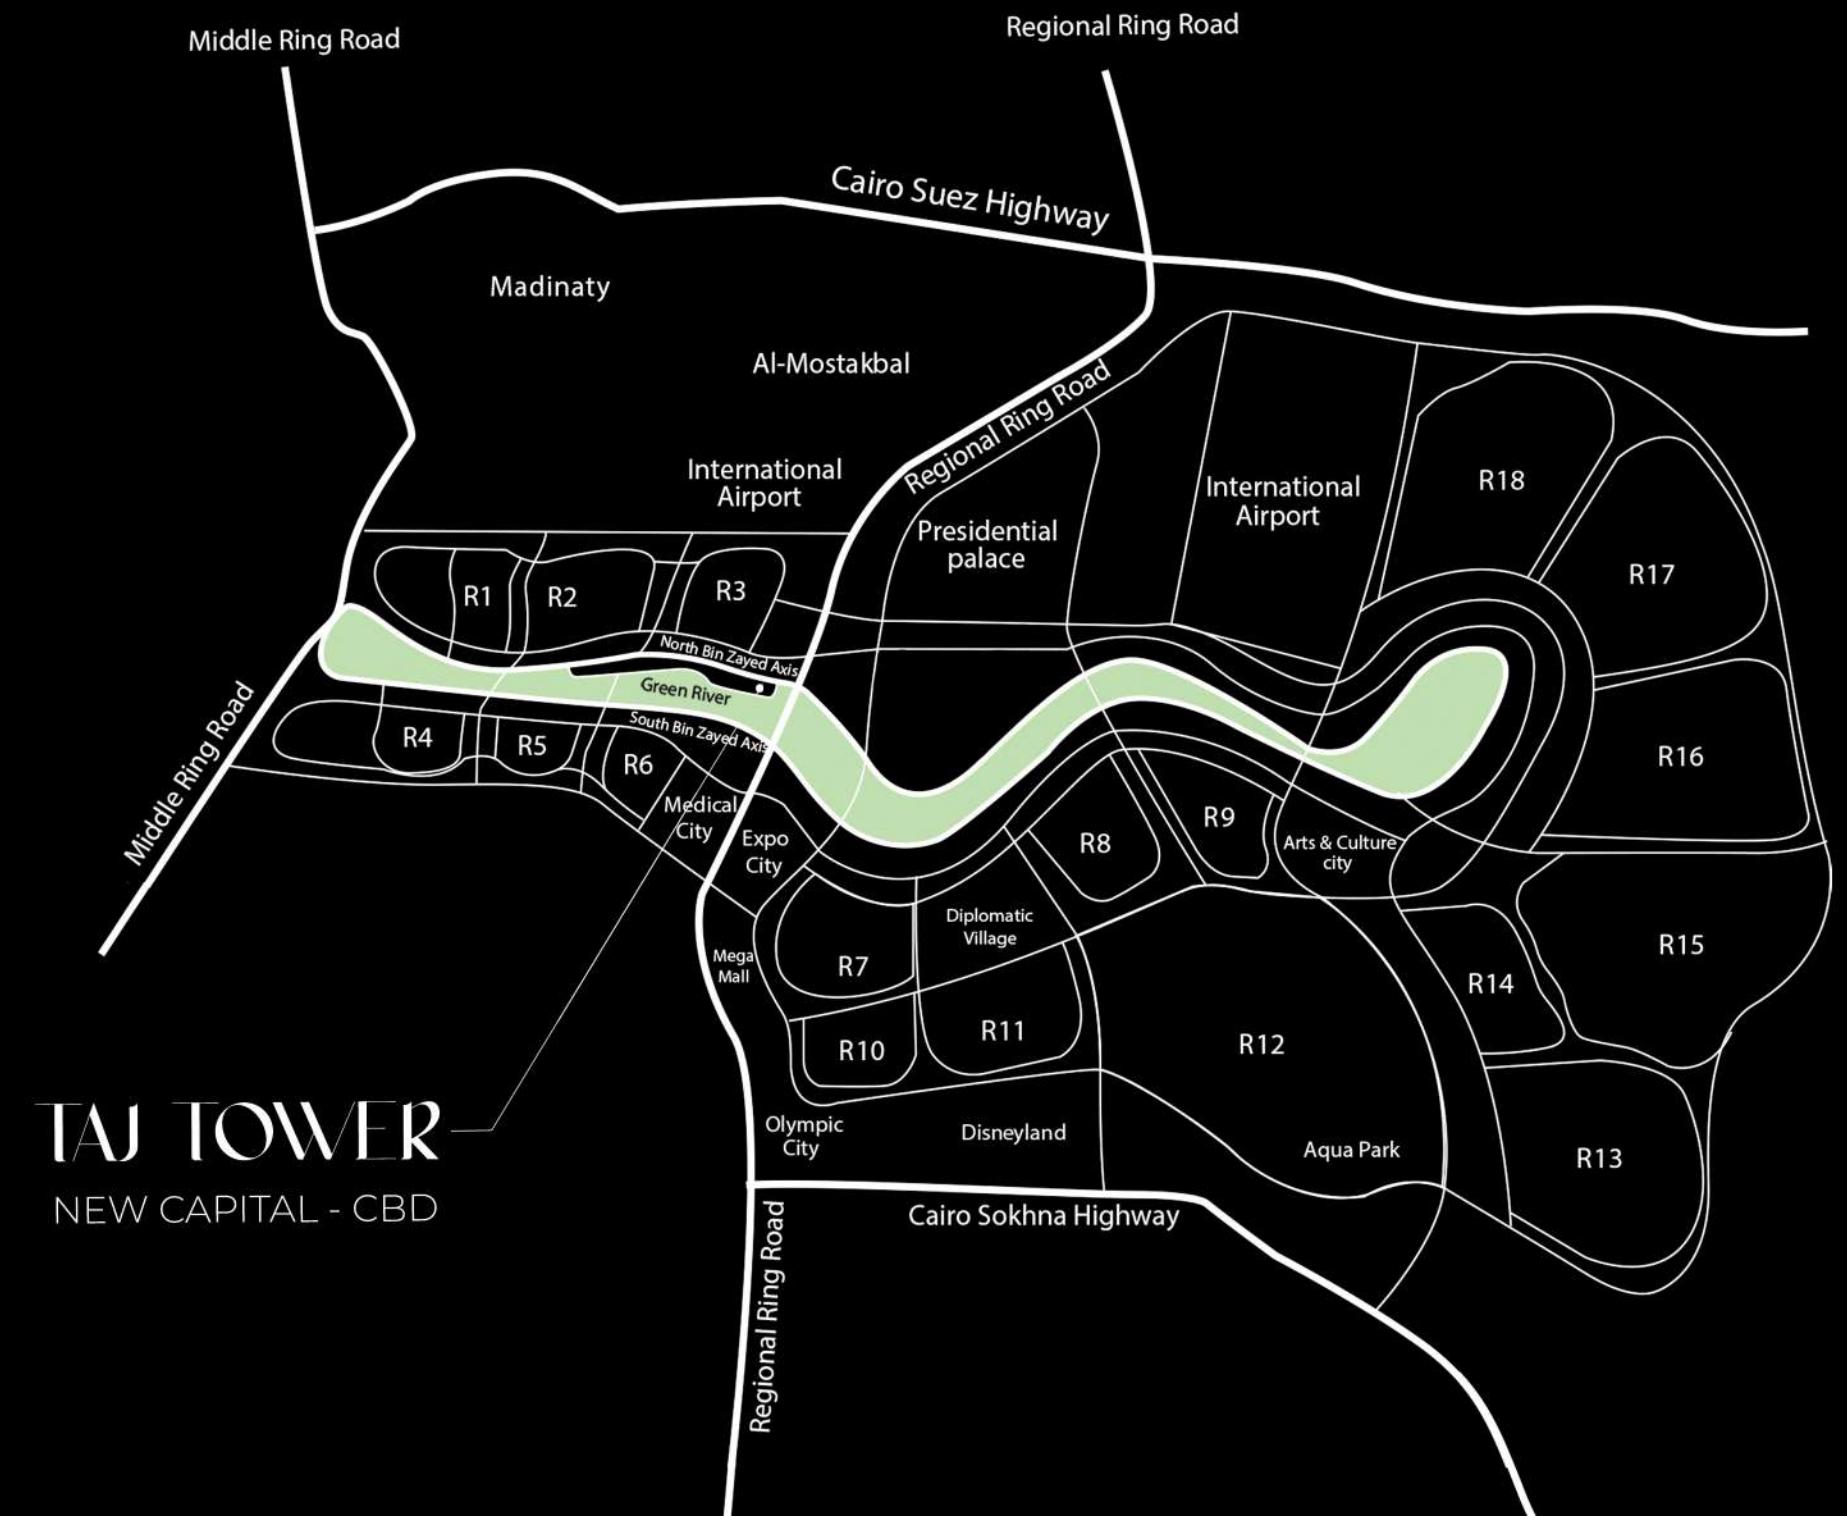

The 35 km long river purposes to act as a connector between the modern and diverse urban neighborhoods. The initial phase will be of a bout the first 10 kilometers, extending from the central ring road to the regional ring with 9 billion pounds estimated investment. It will be Conducted by the housing ministry in partnership with Dar al Handasah office.
